ARTICLE VII – GRIEVANCE PROCEDURE

- A. A “Grievance” is defined as a statement by the union or an employee covered hereby that that United Way has violated an express term of this Agreement and that by reason of such violation the employee’s rights have been adversely affected.
- B. If an employee shall have a proper Grievance, there shall be an earnest effort on the part of both parties to settle it promptly through the steps listed below:

Step 1: An employee’s Grievance must be submitted to the supervisor immediately in charge of the aggrieved employee within seven (7) calendar days after the event-giving rise to the Grievance. The immediate supervisor will give his or her answer to the employee by the end of the fifth (5th) calendar day following the presentation of the Grievance and the giving of such answer will terminate Step 1. If there is no timely response from the supervisor, the grievance will automatically proceed to Step 2.

Step 2: If the Grievance is not settled in Step 1, the Grievance will be reduced to writing by the Union, or the employee, fully stating the facts surrounding the Grievance and detailing the specific provisions of this Agreement alleged to have been violated, signed and dated by the employee and presented to his or her immediate supervisor within five (5) calendar days after termination of Step 1. A meeting with the employee, Union Steward, immediate supervisor and Division Director, Vice President, Regional Vice President or Senior Vice President, as is appropriate, will be arranged at a mutually agreeable location and time to review and discuss the grievance. Such meeting will take place within seven (7) calendar days from the date the Grievance is received by the immediate supervisor. The Division Director, Vice President, Regional Vice President or senior Vice President, as is appropriate, will give a written reply by the end of the third (3rd) calendar day following the date of the meeting, and the giving of such reply will terminate Step 2. When requested by the steward, the employee, or the United Way, the Business Agent will attend this meeting.

Step 3: If the Grievance is not settled in Step 2, the employee may present the Grievance to the Vice President of Human Resources or his or her designee within five (5) calendar days after the termination of Step 2 and at that meeting will be arranged at a mutually agreeable location and time to review and discuss the Grievance. Such meeting will take place within seven (7) calendar days from the date the Grievance is received by the Senior Vice President or his or her designee, the Senior Vice President or his or her designee may invite other representatives of management to be present at such meeting. The Business Agent of the Union shall attend such meeting. The Senior Vice President or his or her designee shall render a decision within five (5) calendar days from the date of such meeting, and the rendering of such decision will terminate Step 3.

- C. If a Grievance is not processed by the employee in accordance with the time limits set forth in this Article; it shall not be subject to arbitration and shall be considered settled on the basis of the decision last made by the United Way. Likewise, if a Grievance is not processed by the United Way at any step of the grievance process in accordance with the time frames set forth in this Article, then it will automatically proceed to the next step in the process. No grievant shall be subject to retaliation or reprisal for invoking the grievance process.

ARTICLE VIII – ARBITRATION

- A. Grievances which are not settled pursuant to Article VII, and which the Union desires to contest further, and which involve the interpretation or application of the express terms of this Agreement, shall be submitted to arbitration as provided in this Article, but only if the Union gives written notice to the United Way of its desire to arbitrate the Grievance within fourteen (14) calendar days after termination of Step 3 of the Grievance Procedure. It is expressly understood that the only matters, which are subject to arbitration under this Article VIII, are Grievances, which were processed and handled in accordance with the Grievance Procedure of Article VII. The provisions of other Articles of this Agreement, which exclude matters from arbitration, are incorporated hereby by reference and such matters are specifically excluded from arbitration under the provisions of this Article.
- B. As soon as possible and in any event not later than ten (10) calendar days after the United Way receives written notice of the Union's desire to arbitrate, the parties shall agree upon an Arbitrator. If no Agreement is reached within said ten (10) days, the matter shall be submitted to the American Arbitration Association for disposition.
- C. Either the United Way or the Union may call any employee as a witness, and the United Way agrees to release said witness from work if on duty. If any employee witness is called, the United Way will reimburse the employee for time lost.
- D. The Arbitrator shall have no power to alter, amend, change, add to, or subtract from any of the terms of this Agreement, but shall determine only whether or not there has been a violation of this Agreement in the respect alleged in the Grievance. The decision of the

Arbitrator shall be based solely upon the evidence and arguments presented to him or her by the respective parties in the presence of each other.

- E. This Agreement constitutes a contract between the parties which shall be interpreted and applied by the parties and the laws of the State of California. The function and purpose of the Arbitrator is to determine disputed facts upon which the application of this Agreement depends. The Arbitrator shall therefore not have authority nor consider it his or her function to decide any issue not submitted or to so interpret or apply this Agreement as to change generally accepted rules of contract construction. The Arbitrator shall not give any decision, which in practical or actual effect modifies, revises, detracts from or adds to any of the terms or provisions of this Agreement. Past practice of the parties in interpreting or applying terms of this Agreement may be relevant evidence, but shall not be used so as to justify, or result in, what is in effect a modification (whether by addition or subtraction) of the written terms of this Agreement. The Arbitrator shall not render any decision or award, or fail to render any decision or award, merely because in his or her opinion such decision or award is fair or equitable. No decision rendered by the Arbitrator shall be retroactive beyond the beginning of the five-day period specified in Step 1 of the Grievance Procedure set forth in Article VII or the occurrence of the Grievance, whichever is the more recent. The Arbitrator shall have no power to render an award on any Grievance occurring before the effective date, or pending after the termination date of this Agreement.
- F. If the Arbitrator finds that the United Way has discharged an employee without cause or orders reinstatement with back pay, the following shall be credited against back pay:
- i. All earnings received by the employee;
 - ii. All earnings for any employment offered but refused by the employee; and
 - iii. The amount of any unemployment compensation received by the employee shall be withheld by the United Way, who shall remit same to the appropriate state authorities to the credit of the employee's account.

The employee will provide such evidence regarding the aforementioned items as is required by the United Way.

- G. The decision of the Arbitrator within the limits herein prescribed shall be final and binding upon the parties to the dispute.
- H. The parties shall split all fees and expenses of the arbitration. Each party shall bear the expense of the presentation of its own case.
- I. The Arbitrator may hear and determine only one Grievance at a time unless the United Way and the Union mutually agree otherwise.

UNITED WAY'S SUBSTANCE ABUSE POLICY – APPENDIX “B”

Alcohol and Drug Misuse

ALCOHOL AND DRUG MISUSE

1. PURPOSE

The use of illegal drugs and alcohol misuse by employees is inconsistent with the longstanding commitment of the Organization to a safe, productive, and healthy work environment. Equally important, the use of illegal drugs and alcohol misuse can also result in a number of personal health and behavioral problems.

The Organization encourages employees with drug and alcohol problems to seek help before they become subject to corrective action for violating this or other Organization guidelines.

2. SCOPE

This guideline applies to all applicants and employees, temporary employees, independent contractors, and consultants.

Employees who use illegal drugs and misuse alcohol may have a number of work related problems such as absenteeism and tardiness, lower productivity, missed deadlines, poor work quality and increased accidents and injuries.

3. GUIDELINE

It is the Organization's desire to provide a drug-free, healthful, and safe workplace. To promote this goal, employees are required to report to work in appropriate mental and physical condition to perform their jobs with the excellence expected of every employee.

It is Organization policy that the possession, distribution, sale or offer to sell, purchase or offer to purchase and/or use of alcoholic beverages and/or controlled substances on or off Organization premises or at Organization-related events is strictly prohibited. Reporting to work under the influence of alcohol and/or controlled substances is also strictly prohibited. Violation of these policies will result in appropriate disciplinary action up to and including termination.

Organization function At Organization-sponsored events where alcohol use specifically is authorized, it may only be served to adults age 21 years or older and such adults are expected to act responsibly with respect to drinking alcoholic beverages. Any employee who consumes alcohol during Organization functions or while on Organization business are prohibited from driving if impaired. Upon request, the Organization will provide transportation for any employee who is impaired because of drinking alcohol in connection with any.

The legal use of prescribed drugs, consistent with the prescribing doctor's instruction, is not prohibited. Also, the use of over-the-counter drugs is permitted. While these drugs may be legally obtained and used, many of them may cause a sleep-inducing or narcotic effect.

Employees who take or anticipate taking any legal drugs that may affect their ability to perform their essential job functions, with or without accommodation, must immediately notify their supervisor of the situation. Failure to do so may result in disciplinary action, up to and including termination.

Any employee who is found to be using, possessing, selling, purchasing and/or distributing, or under the influence of drugs or alcohol in violation of the terms of this policy will be subject to termination of employment. Additionally, the Organization may refer such activities to the appropriate law enforcement authorities for further action. The purpose of this policy is to try to minimize or eliminate health and safety risks to all employees, vendors and visitors that may be caused by employee drug and/or alcohol use and to ensure the general safety of all Organization operations. This is a matter of great importance to each and every one of us, and for this reason full employee compliance and cooperation is requested and expected.

Employees may request approval to take unpaid time off to participate in a rehabilitation or treatment program through the Organization's health insurance benefit coverage. A request for leave, however, will not excuse an employee from prior misconduct or violation of policy related to drug or alcohol abuse. Leave may be granted to participate in a program in accordance with the Organization's policy and other legal requirements. The Organization will not discriminate against any employee or applicant because of past abuse of drugs or alcohol. Rather, it is the current use of any unlawful drugs, misuse of lawful drugs, and/or the use of alcohol in violation of this policy which will not be tolerated.

It is also requested that any employee who believes that a colleague has an alcohol or drug problem to encourage him/her to seek professional help. If the colleague chooses not to obtain professional help (and in any event if there is no prompt resolution of the problem) the employee should bring this matter to the attention of the Human Resources Director.

4. ON-THE-JOB TESTING

An employee may be asked to submit to a breath and/or urinalysis or other test if the Organization has reason to suspect that any employee may be using drugs, controlled substances or alcohol, or may be under the influence of or impaired by alcohol or drugs while at work or when reporting for work.

Such examination and/or tests, when requested, will be on Organization time, are considered a condition of continued employment, and will be at the sole expense of the Organization. Should an employee refuse to submit to the requested examination or test, or tamper with any test or result, the employee will be subject to termination for insubordination.

"Reasonable suspicion" will be based on a belief (founded upon objective facts) that an employee is using, has used or is under the influence of drugs or alcohol in violation of the Organization's policy. This belief may be based upon, but not limited to, the following factors:
