

We don't get an agreement until we vote on it and ratify it!

We have reached tentative National and Local Agreements with Kaiser Permanente including the California Service Center. The terms of these agreements will be presented to our membership for a ratification vote. All members in good standing in OPEIU, Local 30 are entitled and encouraged to participate in the ratification process.

At these meetings the contract offer will be presented and explained, there will be discussion on the terms, and finally members will be asked to vote to accept or reject the offer. All Local 30 members should plan to attend a ratification meeting and make their vote count. Voting will be allowed at any time during the meetings for members who wish to cast a vote and leave. For those members with questions or comments, the meetings scheduled will allow time for both.
