By agreeing to participate in the Employer's Standard Benefits Plans, the Union agrees that any dispute, grievance, question or controversy concerning the interpretation or application of the Standard Benefits Plans shall be determined and resolved in accordance with the procedures set forth in the applicable plan documents and shall not be subject to the

grievance and arbitration provisions of this Agreement. The Union further agrees that the Employer, as Plan Sponsor of the Standard Benefits Plans, has reserved the right to unilaterally amend, modify or terminate the Standard Benefits Plans, in whole or in part, without bargaining with the Union over its decision to take such action. Upon request, the Employer will bargain with respect to the effects of a decision to terminate the Standard Benefits Plans or to amend or modify the Standard Benefits Plans in a manner that has a material adverse effect on the employees. This Section shall continue in effect following the expiration of this Agreement, until expressly terminated or superseded by written agreement of the Employer and the Union. In the event an full time employee is required to work on a holiday other than Thanksgiving, Christmas, or New Year's Day, she/he will have the option to be scheduled for another mutually agreed upon day off within sixty (60) days or receive holiday pay in lieu of another day off. If another day off is not scheduled within sixty (60) days, the employee will be paid his regular rate of pay times the number of hours regularly scheduled for that day.

Section 6. Payment for holidays shall be based on an employee's regularly scheduled hours and regular rate of pay.

Section 7. Holidays that fall during a vacation period shall be paid on the day of the holiday is observed and shall be recorded as a holiday and not a vacation day.

Section 8. Employees scheduled to work on the holiday must work their last scheduled shift before, their first scheduled shift after the holiday, and the hours they are scheduled to work on the holiday if they are scheduled to work on the holiday in order to be paid for the holiday unless the employee is on vacation, jury duty, or bereavement leave.

Section 3. The Employer reserves the right to request a death certificate and proof of relationship.

ARTICLE 19 – JURY DUTY

An employee who has completed his/her probationary period and who is required to serve on a jury shall be excused from work during periods up to four (4) weeks duration. Leaves of Absence shall only be granted for reasons noted in the laws of the state of California, and State of California or the Federal Family Medical Leave Acts, to individuals qualifying under the Acts who make application to the Employer and provide the required certifications. Such leave shall be without pay, benefits, or benefit accruals as may be defined in this Agreement. The Employer shall not unreasonably deny granting leaves for compelling personal reasons, however, engaging in other employment during such leave, or failure to return from leave on the date approved shall be cause for immediate dismissal.

Section 4. In the event an employee qualifies for Federal Family Medical Leave Act, or to care for an immediate family member with a serious health condition, health insurance benefits must continue while on leave provided that that employee makes his/her required health insurance contributions. Additional non FMLA/personal leave may be granted by the Employer.

ARTICLE 22 – UNIFORMS

Section 1. Each full-time employee in the bargaining unit, where required, will be supplied with at least five (5) uniforms as required by management. Three (3) uniforms will be supplied within the first month of employment, or when administratively possible, followed by two (2) uniforms after the completion of the employee's probationary period. Part-time employees shall receive three (3) uniforms within the first month of employment, or when administratively possible.

Section 2. In the event that management initiates a different uniform, the affected employees will be provided with five (5) new uniforms within 6 months of the uniform change. Employees may continue to wear previously issued uniforms until the full 5 sets are provided by management.

Section 3. Uniforms will be replaced one-for-one on an as needed basis.

ARTICLE 23 – DISCIPLINE AND DISCHARGE

Section 1. No employee, after having completed their probationary period, will be discharged, suspended without pay or subjected to other disciplinary action without cause.

Section 2. Under normal circumstances, the Employer, in order to vary the discipline with the circumstances, may utilize any or all of the following in order to maintain order and efficiency of the operation, and to allow the employee an opportunity to correct the deficiency: counseling, written warning, suspension and termination.

Employees will be subject to immediate discharge for stealing, drinking on duty or reporting for duty under the influence of alcohol, illegal possession or use of a controlled substance, possessing a lethal weapon, fighting while on duty, destruction of hospital or company property, and willful misconduct.

Section 4. The Employer will notify the Union in writing of any disciplinary action, including discharge or suspension within forty-eight (48) hours of the such disciplinary action being taken. Any employee who has been suspended pending investigation, shall receive a decision from the Employer by the fifteenth (15th) working day from the date of the suspension pending investigation. This time period may be extended by mutual agreement of the parties. Such requests will not be unreasonably denied by the Union.

Section 5. Warning notices will become null and void after one (1) year, provided that the employee has no other disciplinary actions within that period.

Section 6. An employee shall be permitted to have a Steward of his or her choice attend any meeting with the Employer, or its agents, where the meeting is for the purpose of investigating alleged misconduct by the employee that might be the basis for, or which may result in, discharge, suspension or other disciplinary action. If the employee indicates that he/she wants a Steward to be present, the disciplinary meeting shall be postponed for up to twenty-four (24) hours so that the employee selected Steward can attend the meeting. If the meeting is for suspension or suspension with intent to discharge, a Steward, or other bargaining unit employee chosen by the affected employee, shall be asked to attend in a witness capacity only.

ARTICLE 24 – GRIEVANCE PROCEDURE

Section 1. A grievance shall be defined as a dispute or complaint arising between the parties under or out of this Agreement, and shall be processed and disposed of in the following manner:

Section 2. Both parties agree that, prior to filing any grievance, except for grievances contesting discipline, it is desirable to hold an informal discussion with the immediate Manager in an attempt to resolve the dispute.

If the grievance is not resolved after the procedures in Step 2 have been completed, the parties, by mutual agreement, may refer the matter to non-binding mediation. Such referrals shall occur within five (5) working days after the Union receives the written response from the District Manager or his/her designee. The Grievance Mediation procedure is set forth in Appendix A.

Section 3. The exact provision in the Collective Bargaining Agreement that was violated must be specified by the grievant and or by the Union. In addition, the grievant and/or Union representative must present in writing a brief written narrative (statement) as to what provision(s) of the Collective Bargaining Agreement were violated by the Employer. The grievant and/or Union representative may write the statement in English or in Spanish. Failure to comply with this procedure will result in the dismissal of the grievance.

Section 4. In the case of termination or discipline, which may lead to termination, the Employee may request the presence of a Union representative. Such request shall not be unreasonably denied.

Step 1 - All grievances, except those involving discharge or layoff, shall be presented at Step 1. Within ten (10) working days, exclusive of Saturdays, Sundays, and holidays observed in this Agreement, an Employee having a dispute or complaint, or the Union representative, shall present the grievance to the Manager who either issued the disciplinary action or that which has knowledge of the particular issue. The Union shall also provide the Human Resources Manager with a written copy of the grievance. The Manager or designee shall provide a response in writing to the Employee and the Union within ten (10) working days of the Step 1 meeting. The parties at this step may, through mutual agreement, waive this step of the grievance procedure in which case it will be appealed by the Union to the next step of the grievance procedure should the Union wish to pursue the matter.

Step 2 - If the dispute or complaint is not resolved in Step 1, the grievance may, within ten (10) working days of the Supervisor's response, or within fifteen (15) days of the date of the initial dispute to be presented in Step 2. When grievances are presented in Step 2, they shall be reduced to writing, signed by the grievant and/or his/her Union representative, and presented to the grievant's General Manager or his/her designee. All discharge or layoff grievances shall be referred immediately to Step 2 of this procedure within fifteen (15) workdays from the date of the discharge. A grievance so presented in Step 2 shall be answered by the General Manager in writing within ten (10) working days after its presentation.

Step 3 - If the grievance is not settled in Step 2, the grievance may, within ten (10) working days, be presented in Step 3. A grievance shall be presented in this step to the District Manager or Human Resource Manager, or his/her designee, and he/she or his/her designee shall render a decision in writing within ten (10) working days after the presentation of the grievance in this step.

If the grievance is not resolved after the procedures in Step 3 have been completed, the parties, by mutual agreement, may refer the matter to non-binding mediation. Such referrals shall occur within five (5) working days after the Union receives the written response from the District Manager or his/her designee. The Grievance Mediation procedure is set forth in Appendix B.

Step 4 – If the grievance is not settled in Step 3, the grievance may, within twenty-five (25) working days after completion of Step 3 of the grievance procedure, be referred for arbitration. Either party may request that the Federal Mediation and Conciliation Services (FMCS) submit a panel of seven (7) arbitrators. Each party will alternately strike one (1) name until an arbitrator is selected. The Arbitrator's fees and expenses shall be borne equally by the parties to this Agreement. The arbitrator shall not have the right to alter the Agreement, but may merely rule on the facts presented during the arbitration.

Section 5. The time limits contained herein may be waived by mutual written agreement by the parties. Requests for extension of the aforementioned timelines will not be unreasonably denied by either party.

ARTICLE 25 – HEALTH AND SAFETY

Section 1. The Employer will comply with all safety standards pursuant to the laws of the State of California and will not require an employee to work under hazardous conditions without providing such safeguards as are consistent with well-established safety practices. Section 2. Employees are required to comply with all safety policies and practices established by the Employer from time to time, and to cooperate with the Employer in the investigation of accidents, and the enforcement of safety measures.

Section 3. The Employer agrees to establish a Safety Committee. Said committee will be responsible for recommending to management the elimination of hazards throughout the facility, and for recommendations which are intended to keep the facility OSHA compliant.

Section 4. There will be eight (8) bargaining unit members on the Safety Committee. They will be elected by the employees. An appointed employee will provide Management with a list of the safety committee members on a yearly basis.

ARTICLE 26 – MISCELLANEOUS

Section 1. Any employee shall have the right to review the contents of his/her personnel file. The file will be available to the employee within five (5) working days of the employee's written request to the General Manager.

Section 2. The parties agree that the Employer can temporarily subcontract any work covered by this agreement when the Employer is unable to hire qualified staff, when there is a lack of experienced skilled staff who are willing to perform the work, when the Employer does not have the equipment or technology that can more efficiently perform the work, or when the Employer is preparing for hospital certification and/or inspection. The Employer agrees to notify the Union 48 hours in advance of subcontracting. The Employer agrees that it will subcontract only to companies that pay its employees at least the same hourly wage rate as would have been paid to bargaining unit employees performing the subcontracted work.

Section 3. Labor-management meetings will be held at a mutually agreeable time and date on a quarterly basis, provided that one party has submitted an agenda to the other party at least 48 hours in advance of the date proposed. The Union may designate four employees (two from EVS and two from FANS) to represent the bargaining unit. Meetings will be held to apprise the other of problems, concerns, and suggestions related to the operations and the work force, all with the aim of promoting better understanding between the parties. Such meetings shall not be constructed as opening the agreement for negotiations, nor shall any subject matter at the meetings constitute a step in the grievance procedure. Employees shall be paid at their regular hourly rate for the time spent at the labor-management committee meetings.

Section 4. Courtesy. The Employer and the Union agree to encourage all employees and managers/supervisors, regardless of position or profession, to behave in a professional, courteous and respectful manner when such individuals interact with fellow employees, patients and the public

Section 5. Wages shall be paid by check, deposit or electronic money order as determined by the employer, subject to the applicable law.

Section 6. Employees shall be paid in accordance with the Employers payroll system. The Employer will notify the Union at least sixty (60) days before any change is made.

ARTICLE 27 – TEMPORARY TRANSITIONAL DUTY PROGRAM

Section 1. In order to facilitate the return to work of an employee who has suffered an on-the-job injury or illness, the Company may implement a Temporary Transitional Duty program, to provide a temporary, modified work assignment until the employee reaches Maximum Medical Improvement, but in no case longer than ninety (90) calendar days.

Section 2. Prior to offering a Temporary Transitional Duty assignment to an employee, the Company will give the Union three business days' notice of the proposed position and modifications. If the Union objects to the assignment for good cause, the Company will delay implementation of the proposed assignment for up to five additional business days, during which time the parties will meet (in person or by telephone) to review and attempt to resolve the Union's objections. If the parties are unable to agree, the Company may proceed with the implementation of the assignment and the Union may pursue the matter through the grievance and arbitration procedure.

Section 3. No employee shall be disciplined for rejecting a Temporary Transitional Duty assignment. However, the rejection may have an impact on the employee's entitlement to workers' compensation benefits, depending on the applicable state workers' compensation law.

Section 4. Nothing herein shall be deemed to require the Company to offer a Temporary Transitional Duty assignment to any employee. No Temporary Transitional Duty assignment may be extended beyond ninety (90) days. No Temporary Transitional Duty assignment may become permanent without the express written consent of the parties.

Section 5. Nothing herein shall be construed to add to or diminish the obligations of the parties under the Americans with Disabilities Act and/or state or local law relating to accommodation of disabilities.

ARTICLE 28 – ALCOHOL AND DRUG ABUSE POLICY

Section 1. The Employer and the Union recognize that they must endeavor to provide safe and efficient operations for the protection and benefit of the general public and the Employer's guests and employees. As part of its efforts to achieve this goal, the Employer must require that the work is performed by employees who are not under the influence of illegal drugs or alcohol at work. For purposes of this Agreement, the term "drugs" shall include drugs and alcohol as appropriate.

Section 2. The parties hereby adopt and incorporate by reference the Post Accident Drug Testing Guidelines annexed to this Agreement as Appendix A.

In the event that any provision of this agreement is rendered invalid by applicable legislation or be declared invalid by any court or regulatory agency of competent jurisdiction, such action will not invalidate the entire agreement, it being the intent of the parties hereto that all other provisions not rendered invalid will remain in full force and effect. The parties agree to attempt to cure such invalidity by negotiation and to submit the matter to arbitration if such negotiations are unsuccessful.

Section 2. The parties acknowledge and agree that during negotiations that resulted in this Agreement, each had the full right and opportunity to make demands and proposals regarding any subject matter related to collective bargaining and that demands or proposals that were or could have been made were not achieved are considered disposed of without agreement.

APPENDIX "A" (Drug/Alcohol Test Implementation Guidelines)

Sodexo Inc. Drug/Alcohol Test Implementation Guidelines

POST-ACCIDENT SUBSTANCE ABUSE TESTING

A. Circumstances When Testing Will Be Required

As permitted by law, Sodexo will conduct drug and/or alcohol testing following on-the-job accidents, as defined in Section C, below, in accordance with the procedures set forth in this Article.

These procedures are designed not only to detect use of drugs or alcohol but also to ensure fairness to each Employee. Every effort will be made to maintain the dignity of Employees involved.

Employees governed by client-specific requirements must comply with those client requirements in addition to the requirements herein, if not in conflict with client requirements.

B. Prohibited Substances:

1. **Prohibited Drugs:** Unless limited by applicable state law, testing will be conducted for the presence of the following substances or their metabolites:

- *ALCOHOL
- *AMPHETAMINES (Including MDMA)
- *COCAINE
- *MARIJUANA
- *OPIATE METABOLITES
- *PHENCYCLIDINE (PCP)
- *6-monoacetylmorphine (6-MAM; a heroin-specific metabolite)
- *Additional substances may be added as evidence of use dictates.

Detection levels requiring a determination of a positive result shall, where applicable, be under accepted scientific standards in accordance with the recommendations established by the Substance Abuse and Mental Health Services Administration (SAMHSA; formerly "NIDA") as adopted by the federal Department of Transportation (DOT).

2. **Alcohol:** A positive alcohol test is any result reported at or above **0.04**.

C. Post-Accident Testing:

An Employee Accident is defined as an unplanned event which results in a work-related injury or illness which requires outside medical treatment and cost.

For any Employee who is involved in an Employee Accident, Sodexo will conduct drug and alcohol testing.

All Employee Accidents must be reported to the Sodexo unit manager or other designated person or manager within one hour of the event – unless there are circumstances that make reporting within 1 hour impractical or impossible – but no later than three hours of the event.

Post-Accident drug and alcohol testing should occur as soon as is practical but not later than 32 hours after the occurrence of an event meeting the above criteria. Employees must report for testing within thirty-two (32) hours. If an Employee fails to do so, it will be deemed refusal to test, absent a reasonable explanation.

D. Collection of Samples/Lab Analysis:

1. **Specimen Collection:** All specimen collection for drugs and alcohol will be performed in accordance with generally accepted scientific methods. Sodexo will use chain-of-custody procedures.

2. **Specimen Analysis:** Test methods permitted by state law shall be utilized. For confirmation purposes of any test screened "non-negative," Sodexo will retain only a laboratory certified by the Substance Abuse and Mental Health Services Administration (SAMHSA). The laboratory will be required to maintain strict compliance with federally approved chain-of-custody procedures, quality control, maintenance and scientific analytical methodologies.

3. **Split-sample Analysis:** The Employee may request that a confirmation test on the specimen be conducted. That request must be made in writing within three business days after being notified of the positive test result. The analysis of the split sample shall be obtained from a separate, unrelated certified laboratory chosen by the Employee and shall be at the Employee's expense.

If the split sample analysis fails to re-confirm the presence of the prohibited substance found in the original sample then both tests shall be noted as a negative and no disciplinary action taken.

E. Alcohol Testing Procedures:

All alcohol tests will be conducted in strict compliance with the rules adopted by federal and state guidelines and in accordance with the best practice in the applicable scientific community.

F. Review and Notice of Rights:

Sodexo's contracted Medical Review Officer will contact any Employee testing positive for the presence of a prohibited substance. The Employee will be allowed to present medical documentation to explain any permissible use of a drug. All such discussions between the Employee and the MRO will be confidential. Sodexo will not be a party to or have access to matters discussed between the Employee and the MRO, except to respond to a claim made in a grievance, arbitration, lawsuit or administrative charge. Until the Employee contacts the MRO or a reasonable time has lapsed after the Employee was asked to contact the MRO, Sodexo will not be advised of the test result.

If legitimate, medically supported reasons exist to explain the positive result, the MRO will report the test result to Sodexo as a negative. If there is no legitimate, medically supportable reason for the positive test result, the MRO will report the test result as a positive. Sodexo will then notify the Employee of the positive result, the substance(s) detected and the Employee's right to a split-sample analysis.

There will be no medical review of a positive test for alcohol or a positive test of a split specimen. No medical explanation for alcohol in an Employee's system will be accepted.

If, during the course of an interview with an Employee who has tested positive, the MRO learns of a medical condition, or medication for a medical condition, which could, in the MRO's reasonable medical judgment, pose a risk to safety, the MRO may report that information to Sodexo.

If the result is reported to Sodexo as positive by the MRO, Sodexo will notify the Employee in writing of the following:

1. The result of the test;
2. The Employee's right to have a split sample analyzed;
3. The Employee's right to choose the laboratory to analyze the split sample;
4. The Employee's right to take up to three business days after the date of written notice to decide whether to have the split analyzed;
5. The Employee's responsibility to pay for the split sample analysis.

G. Consequences:

Any Employee who refuses to submit to the testing process or who tests positive for any prohibited substance will be terminated.

Any employee suspected of unnecessarily delaying the test process, attempting to adulterate or substitute a sample or refusing to fully cooperate in the test process will be considered to have refused to submit to testing.

In addition, a positive test, or the refusal to submit to a test, may result in a denial or loss of workers compensation benefits under state law. (This information is provided for informational purposes only, it being understood that neither the Union nor the Employer controls the grant or denial of workers' compensation benefits.)

H. Confidentiality:

Unless otherwise limited by law, information and records relating to testing, test results, drug or alcohol dependencies, medical restrictions, and legitimate medical explanations provided to the medical facility, the MRO, or Sodexo's designated Human Resources Manager as part of Sodexo's drug and alcohol testing program, shall be kept confidential and maintained in medical files separate from Employees' personnel files. Such information shall be the property of Sodexo and may be disclosed to Human Resources, the MRO, and to Sodexo managers and supervisors on a need-to-know basis. Such information also may be disclosed where relevant to a grievance, charge, claim, lawsuit, or other legal proceeding initiated by or on behalf of an employee or prospective employee.

I. Employee Assistance:

Employees with personal alcohol and drug abuse problems should request confidential assistance through local support agencies or, if applicable, Sodexo's health insurance program or Sodexo's Lifeworks program, (888) 267-8126. Employees who undergo voluntary counseling or treatment, and who continue to work, must meet all established standards of conduct and job performance including these Guidelines. While the mere voluntary request for assistance with an alcohol or drug abuse problem will not result in any constructive counseling, such requests will not prevent disciplinary action for violation of Sodexo's Drug and Alcohol Use Policy and will not prevent termination for a positive result.
