

# CONFERENCE ROOM EVENTS

## ***FOR* ALL LOCAL 30 MEMBERS**

To begin the dialogue for more direct involvement, address some of the concerns in individual departments, and continue to provide the services our members really want and need, direct input from members is essential.

Local 30 invites you to participate in a Conference Room Event on the date, time, and location that is most convenient for you.

**Local 30 staff will be available from 8am-3pm at all locations.**
