

OPEIU Local 30 Negotiates Extra Shift Incentives

As the variant continues to spread and hospitalizations are increasing across the state, Kaiser Permanente and OPEIU Local 30 have successfully reached agreement on incentive pay for certain classifications.

While each and every worker is essential in the delivery of care, it has been decided at this time that the classifications listed below will be given premium pay for additional shifts.

Extra Shift Incentive – LVN

LVN (30137)
LVN II Outpatient (30173)
LVN Retail (30863)

- \$100.00 for each additional 4-hour shift
- \$200.00 for each additional 8-hour shift
- \$250.00 for each additional 10-hour shift
- \$300.00 for each additional 12-hour shift
